Other shorter term memberships MUST be paid in advance of the playing term. ONLY RENTERS WHOSE MEMBERSHIPS ARE PAID MAY USE THE COURT.

### SIGN-UP:

Notebook in mailbox at tennis court. Any one membership may sign up no more than one day in advance for one hour's play. NO EARLIER THAN 4:00 A.M. on any given day, you may sign in for an hour either that day or the following, but not both. If you sign in for any hour between 7-9 a.m. you may not sign in during those same hours until two days later. Two memberships may reserve the court for two consecutive hours for doubles. If you sign in and then find you are unable to play, please make every effort to remove your name promptly so that someone else may use that time.

Players are expected to wear appropriate tennis apparel. Only tennis shoes with FLAT soles are to be used on this court - NO deep corrugations such as those found on running shoes. This is because red clay is a very soft surface and is damaged by deep-tread shoes.

ALL persons using the court are responsible for carefully sweeping the court after play. Allow ten minutes before your time is up to do this so that you do not intrude on the following player's time. \*\*Please sweep the court with drag broom from side to side in large ovals parallel to net, including areas between sidelines and fences. This helps to prevent build-up of slate cote in the area. Also, please run the line brush in the direction from the net to the baseline.

The court will be closed for an hour's watering at midday. When it has rained and the court is wet, a second lock will be attached. This will be removed only when the court is dry enough for play.

Weekdays from 10-12:00 noon are reserved for the recreational program instruction. Teenagers as well as adults may sign up to play from 1-4 p.m. Adult hours are from 7-10 a.m. and 1 p.m. until dark daily, and all day on weekends. Children are not to use the court during those hours unless playing an adult member.

We have a fine clay court with attractive surroundings. Please let us all help to keep it that way. If you have any questions or concerns, please contact Anne Patterson at 860.705.0285.
