Dear Mr. Beaulieu,

I received your determination of permit request for the gate box repair at the Giants Neck lower pond. The work you propose does NOT require an Inland Wetlands Permit.

Your request for an extension of the permit for the upper pond will require placement on the next Inland Wetlands Agency Agenda.

If you have any questions please do not hesitate to contact me at (860) 691-4114 or visit our office.

Sincerely,

Gary A. Goeschel II

Wetlands Enforcement Officer
